Welcome to Class 6!

Meet the teacher 2026

Staff

- **Class teacher:** Mrs Watkins
- **PPA:** Mrs Gordon (French, music and computing)
- **Other Adults:** Mrs Trigg

Expectations for Year 6

As we are now in year 6, there are greater expectations for behaviour and independence. All the children are aware of the class rules and they are as follows:

1. **Be kind**
2. **Be safe**
3. **Be good learners**
4. **Be hygienic**

Year 6 roles

School roles

Head boy
Head girl
Deputy head boy
Deputy head girl
Worship Leader
Sports Leader
School Parliament
School librarian

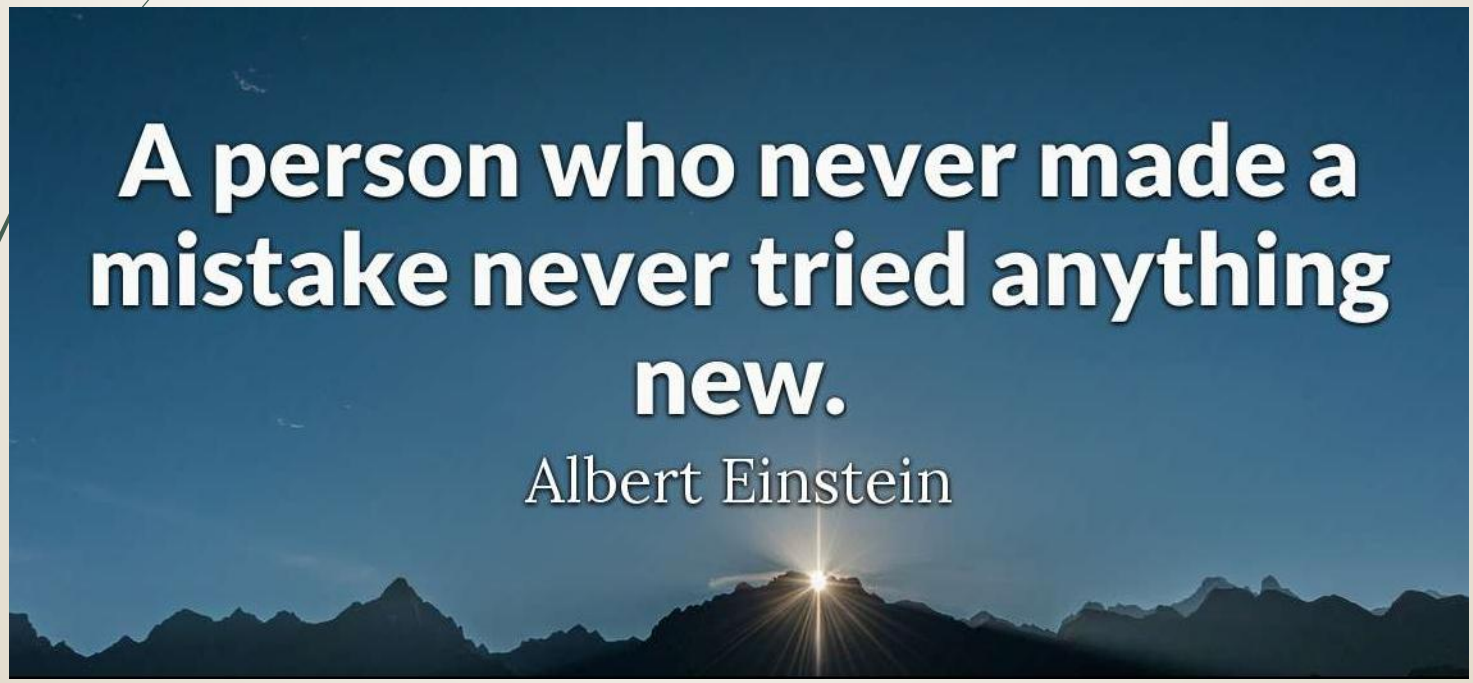
Change every big term

Class roles

We have classroom jobs and also a Year 6 Classroom Leadership team

Year 6 mindset

- In class, we encourage a growth mindset meaning everyone gives everything a go and can learn from mistakes.
- We use a lot of positivity and teach the children that hard work and perseverance leads to success.

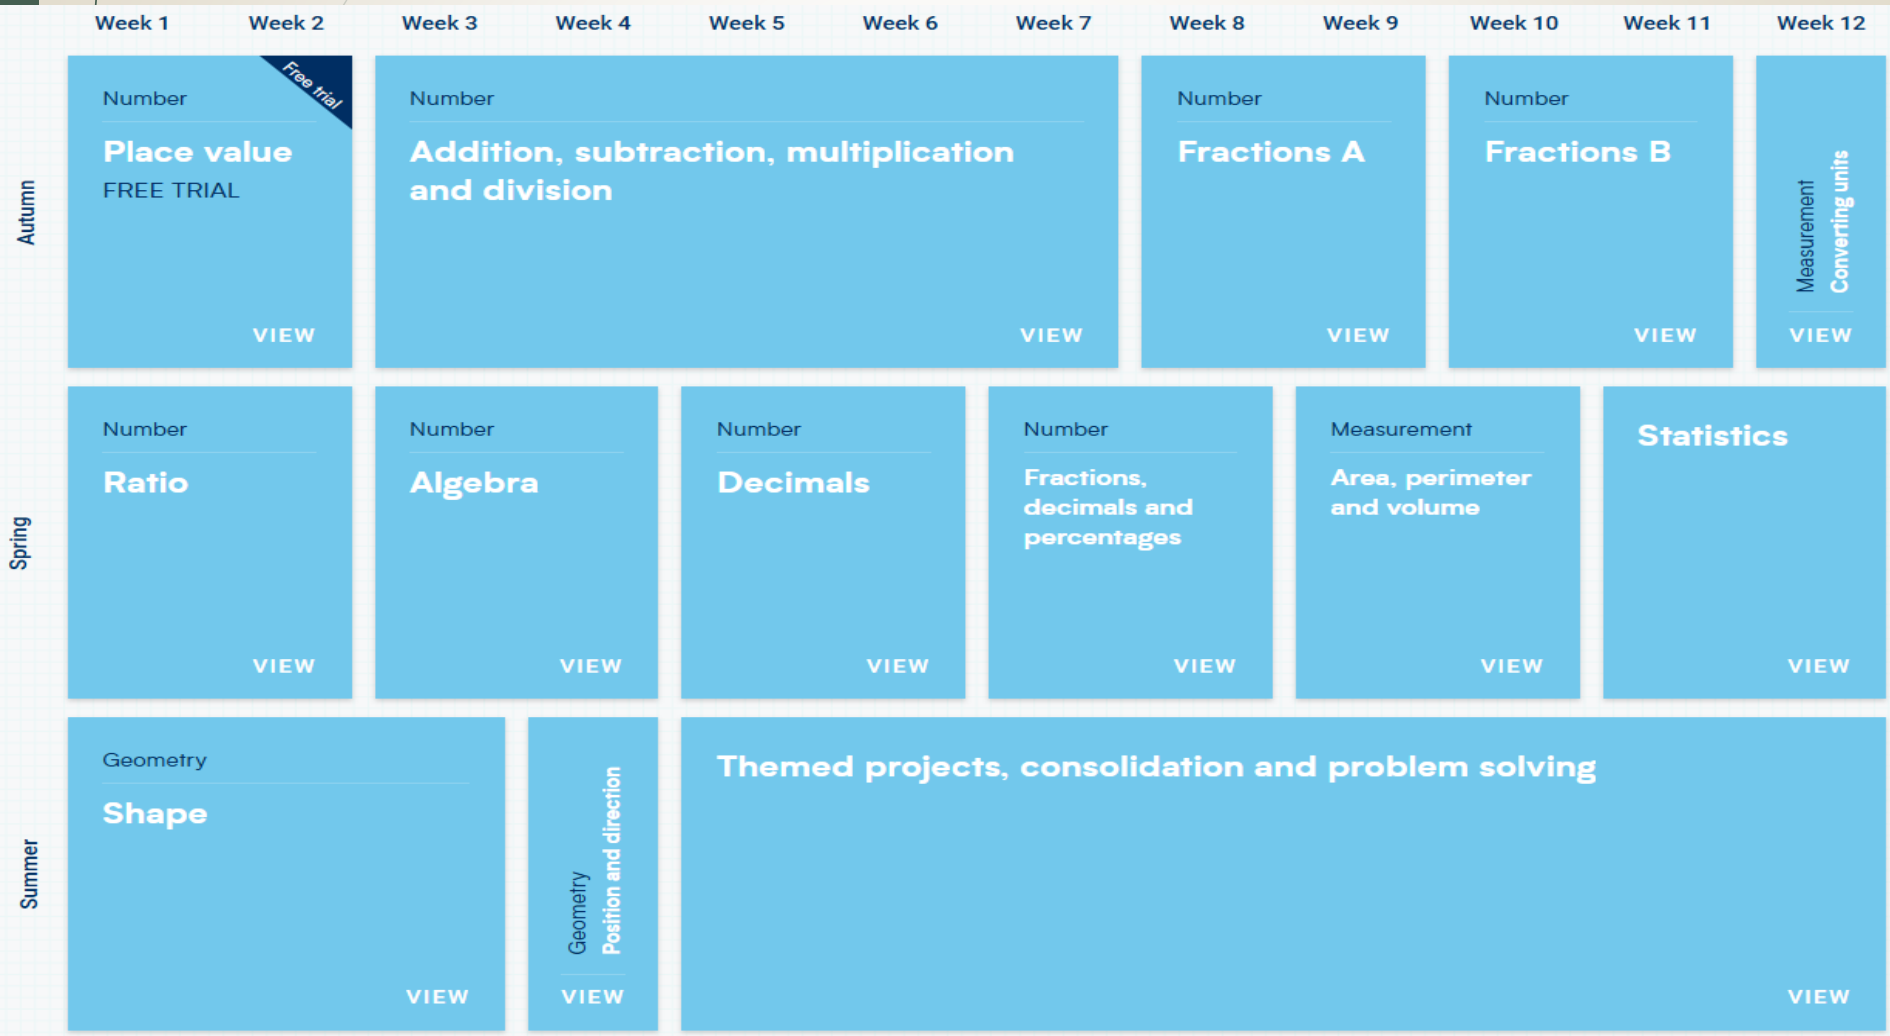


Lessons – what we do

- Generally, maths, SPAG (spelling, punctuation and grammar and handwriting) and English will be in the morning
- Science, history, RE, French, computing and PE will be in the afternoons
- English and reading each day
- Fluency every morning.
- Maths – place value, the four operations (addition, subtraction, multiplication and division), fractions, decimals and percentages

Maths

- Our lessons this year will be based around White Rose Maths. White rose encourages children to think in 3 stages; fluency, reasoning and problem solving.



Writing and SPAG

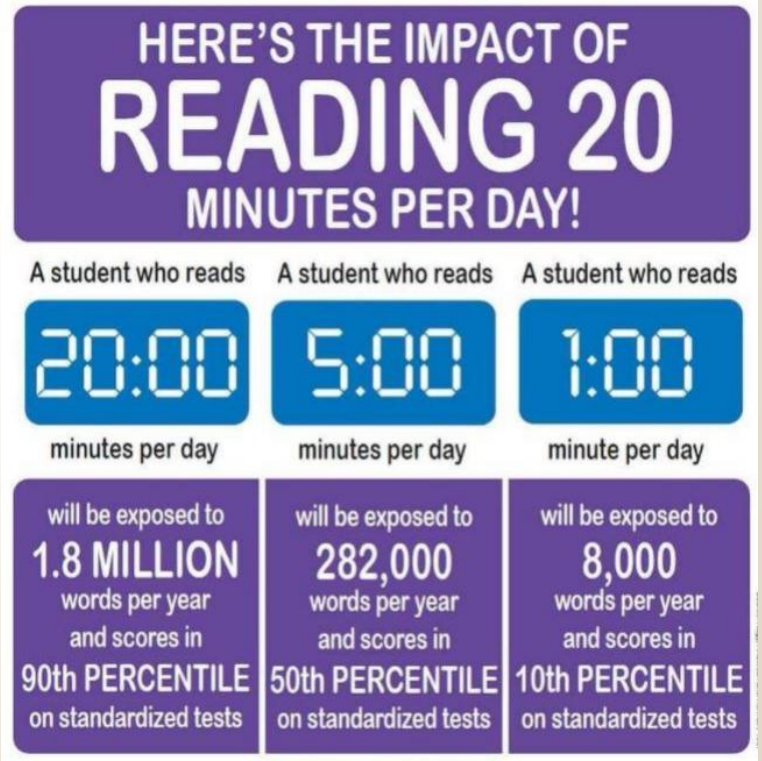
- Children are encouraged to use a dictionary if they are unsure of a word as well as a thesaurus for when we are editing our work.
- We use a lot of discussion, picture and video prompts and group work to help us with our writing.
- This year, we will be ensuring we go over previous years and learning more grammar, punctuation and spelling in preparation for secondary school and for SATs.
- This term we are looking at a book called 'Secrets of a Sun King' by Emma Carroll which is relates to our history topic this term: ancient civilisations and Ancient Egyptians.

Other

- Worship and Praise on a Tuesday
- Celebration assembly on Fridays where children might receive a certificate to celebrate their week.
- PE is on Tuesday and Thursday afternoon(ball skills and dance)

Home-learning

Reading for at least 20 minutes a day, every day. This can help broaden vocabulary and improve spelling. It has a great impact on the children's writing ability across all subjects. A reading menu is given each big term to encourage a wide reading diet. Please record daily in the planner.



Home-learning

- In our Friday spelling lessons, children will be given up to three sentences to practice writing in their best handwriting in this book. These sentences will incorporate the spelling patterns learnt that week as well as the grammatical structure.

- As a class, we go through the sentences first and discuss the language and vocabulary used. This should be completed and ready to mark on Monday mornings.

- Purple Mash for maths and Timestable Rockstars
